

Saganaki Greek Cuisine & Grill

MELBOURNE'S ONLY WATERFRONT GREEK RESTAURANT

Saganaki stands above with superb interior design and quality finishes.

The colour scheme is warm and inviting with wood grain & marble textures complimented by shades of red, copper and brown. Fine chequered cloth dresses the tables while elegant crystal & brass chandeliers hang overhead. Floor to ceiling windows make the most of the venue's prime waterfront position where every table has a great view of Melbourne's bustling waterways.

While staying true to its Greek heritage, Saganaki also features dishes infused with a Modern Australian twist, using only the very best local produce.
